MESSAGE

I am glad to know that every year during 12th to 18th February; a week is observed on a continual basis as **“Productivity Week”** to enhance productivity consciousness across all sectors throughout the country.

Our state also will observe the productivity week on the theme **“From Waste to Profits, through Reduce, Recycle and Reuse.”**

I appeal to all citizens of the state to efficiently and effectively use resources and take a pledge during the forthcoming **‘Productivity Week’** to learn and adopt modern manufacturing concepts of productivity like lean Manufacturing, Cleaner Production, Material Flow Cost Accounting, 5S, Kaizen, Six Sigma, 7-Wastes, 7 QC Tools etc. to enhance productivity through systematic change.

I am sure your coordinated, comprehensive and holistic efforts will help the State to become highly productive and competitive.

I convey my best wishes to all my fellow citizens.
