SUB: 1. AWARENESS PROGRAMME ON ISO 50001:2011 ENERGY MANAGEMENT SYSTEM (EnMS)

Dear Sir,

As you are aware that the advent of the latest international standard on Energy Management Systems (EnMS), ISO 50001:2011, has opened up a whole lot of possibilities in the energy aspects of industries across nations, it is the opportune moment to educate ourselves of the tools, techniques as well as benefits of the 'Standard'. This International Standard purports to enable organizations to establish the systems and processes necessary to improve energy performance, including energy efficiency and intensity. Further proper implementation of the standard should lead to reductions in cost, greenhouse gas emissions and other environmental impacts, through systematic management of energy. It is applicable to all types and sizes of organizations irrespective of any geographical, cultural or social conditions.
