Sir/ Madam,

Sub: Residential/ non-residential training programme on Industry 4.0 at Hyderabad, 25th Feb – 01st Mar 2019.

National Productivity Council (NPC), under Ministry of Commerce & Industry, Government of India, is inviting nominations from Organizations and Individuals for a 5-day training programme on Industry 4.0 at Hyderabad, 25th Feb – 01st Mar 2019.

This training programme will give an overview of the current digital transformations in manufacturing processes, evolution of cyberphysical systems, the central core of Industry 4.0, in which the infrastructure components are addressed primarily from a user perspective by describing the relevance of the IT/OT convergence to achieve data-driven manufacturing. The programme will also explain how dynamically evolving operational data can be securely stored in the cloud for strategic decision making via online machine learning, for tactical decisions via human/machine collaboration on the shopfloor, and for localized self-organizing automated decision making via machines and devices.

In this regard, we request you to utilize this opportunity and send the nominations at the earliest. As the seats are limited, nominations will be accepted on a first-come first-serve basis only. Detailed programme brochure is enclosed. Looking forward to receiving your nominations at the earliest.

Thanking you

Yours Sincerely,

(G. Saravanan)
Regional Director
