National Productivity Council

National Productivity Council, Presents

Productivity Practitioners Course- ADVANCED

Productivity is never an
accident. It is always the
result of a commitment to
excellence, intelligent
planning, and focused
effort. – Paul J. Meyer

The advanced Productivity Course
is designed to equip participants
with tools and techniques to solve
complex shop floor productivity and
quality problems. This course takes
off from the basic course and covers
advanced tools and techniques,
which would enable the participants
to perform a leadership role and
guide their co-workers in achieving
organizational excellence in
productivity and quality. The course
is developed by NPC in line with
similar courses offered by Asian
Productivity Organization (APO)
based in Tokyo.

Faculty

The faculty will be
experienced specialists
from National Productivity
Council & external experts
from industries &
educational institutes.

Target Group

Middle level Engineers
and Managers, Leaders
of Quality Circles and
Kaizen teams.

PRODUCTIVITY PRACTITIONER COURSE - ADVANCED

Methodology

- Lectures with Power Point presentations and animations
- Group discussion & group activities
- Case analysis
- Video vignettes and experiential learning exercises

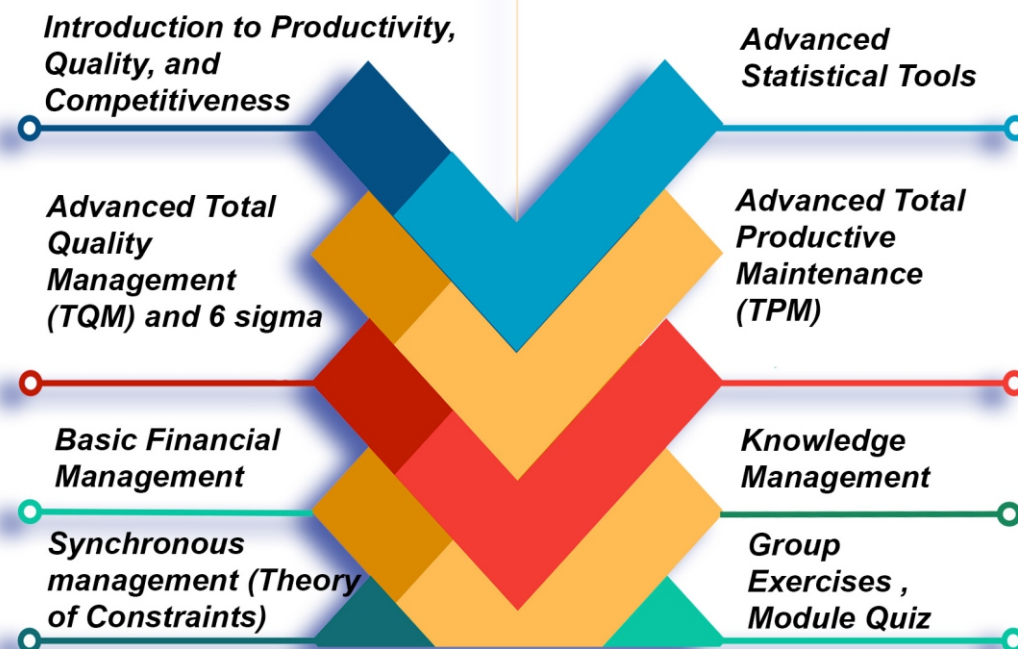

Objective

- To equip participants with advanced productivity management principles, tools & techniques
- Familiarize them with the advanced concepts of Productivity & Quality
- Identify problems plaguing organizational productivity
- Identify and use appropriate tools and techniques leading to improved organizational competitiveness
- Strategize and develop action plans for improving productivity and competitiveness at the organizational level.
- Successful participants are expected to be able to provide direction and guidance for driving organizational excellence.
- Develop an eye for data based decision making.

Registration

The company can send their nominations via email: srividya.m@npcindia.gov.in, npcaipchn@gmail.com physically in company letter head to our institute mentioning the details.
