**Registration Fee (including GST):-1500/-**

**About eLearning Program :** - This course provides an introduction to the concepts of Social Impact & Innovation

**E-Learning Course Coverage:-** This course is covered in 2 modules. These module takes us through the various concepts of Social Innovation & Social Impact. Social innovations seek the transformation of society through innovative solutions. These solutions not only pursue the generation of social value but also operate under criteria of economic sustainability

Social impact is an issue rarely addressed in the study of social innovations and social entrepreneurship. This course aims to explore what social impact is, what different levels of impact exist, and its relevance, while also trying to design evaluations that allow them to increase their legitimacy and demonstrate the value that they are generating in society.
