

E- Learning Course on Green Productivity and Integrated Management System

National Productivity Council is an autonomous organization under the Ministry of Commerce and Industry, Govt. of India. NPC plays a catalytic role in productivity promotion by undertaking consultancy, training and research assignments in frontier areas of management and technology-oriented disciplines. National Productivity Council is scheduling to **Self-learning e-course on “Green Productivity and Integrated Management System” duration 1 Month (March 2021).**

About Course:

The focus of the Green productivity (GP) is to enhance productivity and simultaneously reduce negative impacts on the environment. GP leverages various productivity tools and techniques to help organizations improve their quality, occupational safety, and environmental management, which meets the purposes of certain established management systems. An Integrated Management Systems (IMS) is thus suggested to address the quality, environmental, health and safety requirements of an organization more effectively. By combining existing management systems, an IMS is with well-defined goals and objectives, a detailed implementation plan, and measurement on performance involving third-party auditing, which will help organizations to improve their overall productivity and reduce environmental impact.

Course Objective: To enable participants to understand the principles and effective integration of quality management systems, environmental management systems, and occupational health and safety management systems with an understanding of Green Productivity (GP) and approach to implementation.

Course Modules:

Module 1: Green Productivity and Integrated Management Systems

Module 2: Management system standards

Module 3: Quality Management Systems(ISO 9001)

Module 4: Environmental Management Systems (ISO 14001)

Module 5: Occupational Health and Safety Management System (ISO 45001)

Module 6: Implementation planning and certification.

Self-assessment

- 4 multiple choice-based quizzes after the modules 2,3,4,5.
