

NATIONAL PRODUCTIVITY COUNCIL

(Under DPIIT, Ministry of Commerce & Industry, Govt. of India)

2-days Technical Workshop on “Intellectual Property Rights” On 21st -22nd March 2020

1. About NPC

National Productivity Council (NPC) is a national level organization promoting productivity culture in India. Established in the year 1958 as a registered society by Government of India, NPC is functioning under Ministry of Commerce & Industry Govt. of India. It is an autonomous, tripartite, non-profit organization having equal representation from government, employer and worker organizations and from technical and professional institutions on its Governing Council. NPC provides consultancy and training and undertakes research in the areas of productivity besides implementing productivity promotion programmes of the Tokyo based Asian Productivity Organisation (APO), an inter-governmental body where NPC represents Government of India as a founder member.

2. Program Background

Intellectual property is the knowledge and trade secrets of organizations. Rather than the physical production of goods, intellectual property rights seek to protect the intangible property from mental labor like Design, Artistic work, and Inventions. Intellectual property law exists to encourage economic compensation for artistic work.

Whether individuals creating their own original works or protecting the exclusive rights of their organization. Protecting intellectual property is a big step for working in technology, research, and other areas helping to develop new services, products, and answers.

- 3. Target Group:** This workshop will be beneficial to MSMEs, Start-ups, Clusters, SHGs, Students, Research scholars, Lecturers, Professors, Government officers from different streams to help them intensify their knowledge.
