

National Productivity Council

Training Programme on

WASTE TO WEALTH

PROGRAMME CODE: TP/22-23/27

22-26 August 2022

(Puri)

1. ABOUT NPC

National Productivity Council (NPC) is an autonomous organization under the Department of Promotion of Industry and Internal Trade, Ministry of Commerce & Industry, Government of India. The present expertise available in NPC has a resource base of professionals from fields such as Economics, Industrial Engineering, Human Resource Management, Energy, Environment, IT, Project Monitoring and Evaluation, Research Studies and Baseline Surveys. In addition, services of external professionals and subject matter specialists are also sought on need basis, depending upon the nature and scope of work. NPC extends services from its headquarter at New Delhi and 12 regional offices across the country manned by more than 100 full time professionals. NPC has professionals from diverse fields to provide Consultancy, Capacity Building and Project Monitoring Unit (PMU) services to various organisations including Central Government Ministries and State Governments.

2. PROGRAMME THEME

Industrialization is inevitable for the development in India. However, it also causes serious environmental pollution and generates wastes. Today industrialization and population growth are leading concerns for rampant pollution in India. Therefore, we cannot afford to generate wastes or dispose of wastes through unscientific means and create pollution. We need to be sensitized that environment and economic growth can go hand in hand, by utilizing our resources effectively and minimizing wastes and doing our bit for pollution prevention.

The training programme is designed to train the participants on the environmental issues currently faced by the Companies/ Municipalities/ Organizations and the means/tools to tackle these issues. The latest environmental solutions to Companies to improve upon their environmental performance and bring about enhanced monetary savings and improved productivity would be covered.

3. LEARNING OBJECTIVES

- ✚ To impart knowledge to participants on Waste-to-wealth as the concept to address the environmental problem by changing the traditional view of waste as an end product to be disposed off.
- ✚ To impart knowledge to participants about effective uses of resources and minimizing wastes and doing out bit for Pollution Prevention;
- ✚ To discuss about environment protection measures, improved environment performance and improved productivity for companies/organizations/Institutes;
- ✚ To promote 3Rs (Reduce, Reuse and Recycle) initiatives and dissemination of good practices, and facilitate integrated efforts towards achieving improvement in general health of city environment etc.
