1. ABOUT NPC

National Productivity Council (NPC) is an autonomous organization under the Department of Promotion of Industry and Internal Trade, Ministry of Commerce & Industry, Government of India. The present expertise available in NPC has a resource base of professionals from fields such as Economics, Industrial Engineering, Human Resource Management, Energy, Environment, IT, Project Monitoring and Evaluation, Research Studies and Baseline Surveys. In addition, services of external professionals and subject matter specialists are also sought on need basis, depending upon the nature and scope of work. NPC extends services from its headquarter at New Delhi and 12 regional offices across the country manned by more than 100 full time professionals. NPC has professionals from diverse fields to provide Consultancy, Capacity Building and Project Monitoring Unit (PMU) services to various organisations including Central Government Ministries and State Governments.

2. PROGRAMME THEME

The prime objective of Good Governance is to promote transparency and to create accountability among public servants, in order to contain corruption. In this connection huge efforts have been taken by Central Vigilance Commission. It aims at making every Organization, both Government and Public Sector units, to concentrate on Preventive Vigilance to reduce corruption in our country. Further another field wherein huge budgetary allotment is being spent is in procurement of Goods and Services.

In order to contain corruption, at the same time to promote transparency, e- procurement system is in vogue in all Government Departments and Public Sector Units. The programme throws light on the concept of E- Procurement and procedure and also on the role of Preventive Vigilance in every Organization, which in other words, is the basis for Key to Good Governance.

Generally, in Government (Both State and GOI Departments) and in Public Sector Undertakings not less than one third of the annual budget is spent towards procurement of goods and services. Hence a huge sum of public fund is utilized towards such procurement.

In this context, in order to promote transparency, e- procurement system has been mandated in all Government Departments and Public Sector Units, which paves the way for unbiased decision making by providing equal opportunity to all bidders. At the same time the Department/ Organization can obtain value for the money spent in a just manner.
