NPC extends services from its headquarters at New Delhi and 12 regional offices across the country manned by more than 100 full-time professionals. NPC has professionals from diverse fields to provide Consultancy, Capacity Building and Project Monitoring Unit (PMU) services to various organizations including Central Government Ministries and State Governments.

2. PROGRAMME THEME

Sustainability is fast becoming a key priority for corporations around the world; both linked to their company branding strategy as well as the expectations of their shareholders. Environmental, Social and Governance (ESG) are a set of topics, which is the quantifiable assessment of Sustainability. India has introduced new ESG reporting requirements for the top 1000 listed companies in the country by market capitalization. Hence, the purpose of this program is to sensitize participants on the aspects of Sustainability and Business Responsibility and Sustainability Reporting (BRSR).

Environmental issues may include corporate Climate Policies, Energy Use, Waste Management, Pollution Prevention and Control, Natural Resource Conservation etc. ESG considerations can also help evaluate any environmental risks a company might face and how the company is managing those risks. Considerations may include direct and indirect Greenhouse Gas Emissions, management of toxic waste, and compliance with environmental regulations.

For measuring, monitoring and disclosing performance in areas related to ESG, the Securities and Exchange Board of India (SEBI) has mandated the sustainability disclosure requirements. Under this BRSR shall be applicable to the top 1000 listed entities (by Market Capitalization) from FY 2022-23.
