The present expertise available in NPC has a resource base of professionals from fields such as Economics, Industrial Engineering, Human Resource Management, Energy, Environment, IT, Project Monitoring and Evaluation, Research Studies and Baseline Surveys. In addition, services of external professionals and subject matter specialists are also sought on need basis, depending upon the nature and scope of work. NPC extends services from its headquarter at New Delhi and 12 regional offices across the country manned by more than 100 full time professionals. NPC has professionals from diverse fields to provide Consultancy, Capacity Building and Project Monitoring Unit (PMU) services to various organisations including Central Government Ministries and State Governments.

2. PROGRAMME THEME

Good governance refers to the effective and efficient management of country's resources and affairs in a manner that is open, transparent, accountable, equitable, and responsive to the needs of the people. Good governance is crucial for India due to its diverse and complex socio-economic landscape and the ever evolving micro and macro-economic changes that we see all around us gives a perfect launch pad for transformational leaders with a commitment to the goal of championing the cause of good governance.

Transformational leadership is a leadership style that focuses on inspiring and motivating followers to achieve extraordinary outcomes and, in the process, develop their own leadership capacity. This leadership style is effective in driving change and fostering a positive and productive organizational culture leading to higher levels of employee satisfaction, commitment, and performance. The key components of transformational Leadership are: **Inspirational Motivation, Intellectual Stimulation, Individualized Consideration, Idealized Influence.**
