Webinar Title: Food Fraud Vulnerability Assessment (FFVA) and Mitigation Plan

Registration Fee (including GST):- Rs. 99/- for each Participant

About Webinar : - Food Fraud is not new to this world but recently has been a challenge for global food and food ingredients sourcing. High value and/or high-volume products are always vulnerable in eyes of organized fraudulent. Despite of food fraud vulnerability, global trade is accelerating its pace due to regional costing, seasonal availability and so many other convenient factors.

Food Fraud Mitigation Plan is the shield to every organization to minimize any potential food frauds. Recently, GFSI recognize its importance and made mandatory for their benchmarked food safety standards.

Webinar Coverage: -This webinar shall include types of food frauds, Importance of FFVA and Mitigation Plan in GFSI bench marked Standards, some examples of Global Food Fraud incidences, Food Fraud Risk Assessment and Mitigation Plan.
