

Webinar Title: MOTIVATION – THE MOTOR OF ORGANIZATIONAL PRODUCTIVITY

Registration Fee (including GST):- Rs.99/-

About Webinar Program: -

We human beings on this earth are the most blessed living beings out of the 9 crore species as we are endowed with those faculties which none other is. It is therefore our privilege & prerogative to live life well to its fullest extent. Thus, evolves the need to recognize the 'life skills' in our life, the most important among them being MOTIVATION IN LIFE.

Motivation is the motor of life, Is it possible to do anything in life without feeling the need to do it? Have you ever wondered why did we open our eyes this morning after we woke up? Because we knew we have jobs to do. This is self-motivation. Likewise, we motivate others for the sake of our own PRODUCTIVITY IN OUR ORGANIZATION.

Webinar Course Coverage:-

The training will cover the traditional approach to the theory followed by the significant changes we observe in the present-day post corona scene which may last longer than expected. We would focus on the motivation boosters & positivity creators-retainers in our organizations.
