

Virtual Webinar: Productivity Improvement through 5 'S' & its certification

5'S is the workplace management tool to make the organization efficient, effective and safe. 5S was developed in Japan and was identified as foundation for implementing Lean Manufacturing. Though many courses, programs are available for learning 5S in the market but listening to the expert who himself has lead numerous implementation projects, trained thousands of employees and undertaken NPC's 5 S Certification audits for varied companies is altogether a different experience.

Webinar Coverage:

1. 5 S – Seiri, Seiton, Seiso, Shieketsu, Shitsuke
2. Benefits of 5 S
3. Implementation guidelines
4. 5 S Audit

Speaker Profile:

Shirish Paliwal, is serving as Regional Director, heading Regional Directorate at Gandhinagar of National Productivity Council. He has over 25 years of experience in the field of providing consultancy and training in the field of Industrial engineering. He has been involved in over 100 consultancy projects and has lead teams for many projects for Government, Public Sector and Private sector clients. He has also been involved in administration, implementation, monitoring and auditing of Lean

Manufacturing Competitiveness Scheme of the Ministry of Micro, Small and Medium Enterprises in the state of Gujarat & Madhya Pradesh. Further he has also been involved in numerous 5 S certification audits on behalf of NPC for varied clients.

Fee: Only Rs 99/- [inclusive of all taxes]
