# Creating ISO 9001 Systems for Peak Performance

**Webinar Date:** 29.09.2020 | **Duration:** 1 Hr | **Time:** 330 PM to 430 PM

**Registration Fee:** Rs. 354 (Including GST)

## About Webinar:

Organizations implement ISO 9001 management systems in order to obtain and retain their competitiveness in the market and to sustain themselves in the marketplace. Only a small fraction of the organizations implement these management systems in their true spirit and enjoy the benefits, however a vast majority of the organizations do not implement in the true spirit but due to various other reasons such as customer / market requirement, qualification criteria in tenders, peer companies pressure etc. In this session we look at ways to create an ISO 9001 Management System for peak performance.

## Webinar Coverage:
- **Right Spirit** understanding of ISO 9001 requirements
- Why ISO 9001 management systems fail and lacunae in the current ISO 9001 management systems implementation
- Creating ISO 9001 systems for peak performance

## Speaker Profile:

Shri. C. Narendra is currently working as Regional Director at the National Productivity Council's (NPC) Bengaluru office. Trained as a Lead Auditor in ISO 9001, OHSMS (ISO 45001) & HACCP, the incumbent has been involved in the design and implementation of ISO 9001 & integrated management systems since 1993. Has designed, created and guided organizations in the implementation of ISO 9001 systems complying with the 1987, 1994, 2000, 2008 and 2015 ISO 9001 standards.

## Register to learn:
☺ What are the lacunae in the ISO 9001 implementation.
☺ How to create a peak performance ISO 9001 management system.
