

## CREATING ROADMAP TO MANUFACTURING EXCELLENCE

LIVE WEBINAR

25th September 2020, 11:00 - 12:00 hrs

### ABOUT WEBINAR

Today, Our Country is on the threshold of making a breakthrough in manufacturing by supplying high quality products to the world for different sectors. It is becoming important to achieve this. The place of value addition - shop floor, should have right balance of technology and methodology. This session will be an exposure to changing business scenarios, challenges ahead, world class manufacturing routes and how to lay the building foundation in any organisation.

### EXPERT SPEAKER

DR.N.RAVICHANDRAN  
Former Executive Director,  
Lucas TVS Ltd,  
PHD in Manufacturing  
Excellence
