

NATIONAL PRODUCTIVITY COUNCIL

Under DPIIT, Ministry of Commerce & Industry, Govt of India

Entrepreneurship Development Series

SESSION 2

ENTREPRENEURSHIP OPPORTUNITIES IN PHOTOGRAPHY & MEDIA

5th August 2020 | 11am - 12pm

About the WEBINAR

As India faces the current pandemic situation with fortitude, self-reliance is being touted as the single most measure to overcome the economic hardship and build a resilient future. The ability and readiness to develop, organize and run a business enterprise along with any of its uncertainties to make a profit is what makes "Entrepreneurs" able to handle tough situations. **National Productivity Council** is organizing series of Entrepreneurship Development Programs with a view to bridge this skill gap. This session highlight the opportunities for an prosperous career in Photography and Media
