

Webinar Title: TRAINING IMPACT ANALYSIS

Expert Speaker: Dr. Ashutosh Muduli

Webinar date: 13 Aug 2020 3 PM.; **Duration** 1 Hour; **Fee:** Rs 300 (Inclusive of GST)

About Webinar: Organisations are investing in crores for training. Only few organisations went ahead to check the return of their investment. In other word, the impact of the training are rarely analysed by organisations. Lack of impact analysis may drain the hard earned revenue of the organisation in to a mere waste. Hence, every sensible organisations and managers should attempt to understand the impact of the training on employee performance and company results. The webinar shall aim to help the managers to understand the methods and processes for conducting training impact study.

Webinar Coverage:

- Significance of training impact
- Training impact process analysis
- Methods and techniques for impact analysis
- Finding solutions for better return of the training investment
