Webinar Date: 06-08-2020 **Duration:** One and half hour (15.00 hrs to 16.30 hrs)

About Webinar (Brief One para): - ISO 9001 :2015 system implementation and certification aims to enhance customer satisfaction through the effective implementation of Quality Management System, including processes for improvement of the system and the assurance of conformity to customer and applicable statutory and regulatory requirements. ISO-9001:2015 certification has following main benefits:

- Mandatory requirements if you want to apply for tender for some public sector work
- Identifies and encourages more efficient and time saving processes
- Focus on deficiencies and provides opportunities to eliminate deficiencies by taking suitable actions
- Reduces costs by improving processes
- Provides continuous assessment and improvement
- ISO-9001:2015 certification used as Marketing Tool
- Enhances image of the organisation through international certification

The documentation, implementation and certification of system as per ISO-9001:2015 will be explained in the webinar
