J.C Bose University of Science and Technology,
(Haryana State Govt. University), Faridabad.

Webinar Date: 17.03.2021 | **Duration:** 11:30 AM to 01:00 PM

About Webinar- Project Management and Financial Management assures the control over the running of projects and make sure that they are keeping on track and within budget. It involves planning, organizing, directing and controlling the financial activities such as procurement and utilization of funds of the organization or enterprise in a consistent and responsible manner. It also involves application of general management principles to financial resources of a project. The common goal is to reach the proposed outcome of the project within the time frame and budget.
