WEBINAR ON "HYBRID DISTRIBUTED RENEWABLE ENERGY (DRE) PROJECTS & ITS PFR/ DPR PREPARATION"

Expert Speaker: -Mr. Rakesh Jha, Director (Sustainability), Meghraj Capital Advisors Private Limited

Date & Time: - 24/08/2020, 3:00 PM to 4:30PM

About Webinar:

In this webinar speaker will highlight the requirements and benefits of hybrid DRE and steps involved in planning the project. The form and scope of DRE has been changing and this is being seen as one of the ideal solutions for electrification and meeting the demand locally. The webinar will cover planning aspects – demand estimation, generation potential assessment from available resources, project capacity determination matching with deduced peak demand, assessment of required storage capacity, financial and economic analyses of the project. Post electrification, few of these decentralized projects may be required to be connected to the grid. Webinar will also cover the measures that could be adopted to make the projects sustainable through attaining viability.
