**Webinar Coverage: Embrace Uncertainty for Purposeful Career**

**Speakers Profile: -**

If there is one thing that can aptly narrate Mr. Rajeev Gupta's journey from being a Tax officer to a thought leader and public speaker, while trudging many a path as Educationist, Counselor, Motivator, Learner, Changer and Torch Bearer is the fact that "the very basic core of a man's living spirit is his passion for adventure". With energy so passionate, that it still burns like the stamina of a 25 year old with added advantage of 27+ year of experience. Mr. Rajeev Kr Gupta started his career as Finance officer in Government of Bihar and served for more than 21 years in different capacity which ended with him taking Voluntary Retirement from Service (VRS) while positioned as Treasury Officer at Doranda Treasury Ranchi, Government of Jharkhand. He did LLB (2008-11) and Exe. MBA (PGEXP) from Indian Institute of Management, Ranchi (2011-13) while in service and was awarded as "Best Outgoing Student with Gold Medal" by IIM Ranchi. After taking VRS he joined JSW Steel Ltd and worked for 3 years (2014-17) and then worked with PwC Pvt Ltd (2017-18) for one year till May,2018 to look after GST implementation project in Government of Jharkhand. Presently, He is Curator and Chief Organizer of TEDxKanke. Idea is to revolutionize the present conventional system and to bring valuable change in the society. His dynamism as an influencer has provided him with an innate ability to connect with people and an experience transferor. So he traversed the path of public speaking and delivering guest lectures on GST and Leadership, Team management and self regulation (General Management Program) at IIT(ISM) Dhanbad ,IIM Ranchi, IICM (Indian Institute of Coal Management), HEC Ltd, MECON Ltd, SAIL, MTI of SAIL and other public and private sector institutions. He has also been a key-note speaker in events organized by ASSOCHAM, CII, PHD and ICC Industry Association on various themes from the state of Indian economy to startups and entrepreneurship. He is also working closely with grass-root level entrepreneurs connected to "village" to transform them into "Smart Village" and to bring changes in society via cycling as a motivational hobby.
