

**NATIONAL PRODUCTIVITY COUNCIL  
PRESENTS A WEBINAR ON**

**"Modern wastewater  
treatment technologies for  
reuse/recycle applications"**

**DATE: 21<sup>ST</sup> AUGUST 2020  
(Friday)**

**TIMING: 03:00 PM to 04:30 PM  
(GMT+05:30)**

**Registration Link:**

webinarpage](https://www.npcindia.gov.in/NPC/User/webinarpage)**

Wastewater treatment plants are growing more focus on recovering waste water for reuse and this requires tertiary level treatment and knowledge of processes & Technologies that ensure treated water quality for reuse. National Productivity Council (NPC) has designed a program on modern WWT technologies with an objective of helping you to obtain the necessary solutions vide its in-house knowledge pool as well as experts with wide expertise in designing, commissioning, operating, evaluating, optimizing and upgrading various wastewater treatment plants.

Webinar coverage:

In this programme, the speaker will cover concepts of tertiary Treatment Technologies like MBBR, MBR, SBR. Basic design, choice of suitable technology and applicability of each technology for effluent reuse will be discussed.

**About the Expert Speaker:**

**Shri. N.K.Kuttiappan,**

Executive President  
LVK Enviro Consultants

- An expert in municipal and industrial wastewater treatment and management having more than 35 years of rich experience in consultancy and training.
- Empanelled Auditor with IRQS and Empanelled Assessor with QCI-NABET

**Registration Fee:**

**Rs. 350/- (Inclusive of GST)**

**Contact Person:**

**Smt.Preethi Dineshkumar,  
Assistant Director, NPC  
[preethi.dkumar@npcindia.gov.in](mailto:preethi.dkumar@npcindia.gov.in)**

**Dr. Ambedkar Institute Of Productivity,**  
National Productivity Council (NPC),  
6, Avin Dairy Road, Ambattur Industrial Estate (North)  
Chennai - 600050

**e - Certificate  
will be issued  
to participants**
